

24th Annual Conference of Biomedical Fuzzy Systems Association (BMFSA) in 2011

October 29-30, 2011

Yamaguchi University, Yamaguchi City, JAPAN

The Biomedical Fuzzy Systems Association (BMFSA) will hold the 24th annual conference, BMFSA2011, on October 29-30, 2011 at Yamaguchi City, Yamaguchi, JAPAN.

The aim of the conference is to bring together researchers, professionals, and industrial practitioners for interaction and exchange of knowledge and ideas in all areas of biomedical systems and fuzzy systems. Two plenary sessions, Japanese and English, will run parallel in BMFSA2011.

Organizing Committee

General Chair

Eiji Uchino
(Yamaguchi University)

Program Chair

Noriaki Suetake
(Yamaguchi University)

Program Co-Chair

Keiichi Horio
(Kyushu Institute of Technology)
Ryosuke Kubota
(Ube National College of Technology)

Publicity Chair

Takanori Koga
(Tokuyama College of Technology)

Publication Chair

Tadahiro Azetsu
(Yamaguchi Prefectural University)

Conference Secretariat

Yayoi Fukue
(Yamaguchi University)

Secretary General

Yoshiyuki Yabuuchi
(Shimonoseki City University)

Scope

Papers are solicited for, but not limited to:

- Artificial Intelligence
- Bioinformatics and Applications
- Biomedical Applications
- Biosignal processing and modeling
- Biosystems
- Brain-computer techniques
- Clustering and Data Analysis
- Complex Systems and Applications
- Decision Support Systems
- Detection and classification
- DNA Computing
- Environmental and Bio-Engineering
- Expert Systems
- Evolutionary Computation
- Fuzzy Theory and Applications
- Fuzzy Systems and Rough Sets
- Fuzzy Optimization and Decision Making
- Health Informatics
- Hospital Management
- Human Information Processing
- Human-machine Interface
- Human Sciences
- Intelligent Systems
- Kansei Engineering
- Knowledge Discovery and Data Mining
- Knowledge-Based Systems
- Machine Learning
- Management Sciences / Engineering
- Medical Signal and Image Processing
- Modeling and Simulation Techniques
- Neural Networks and Applications
- Pattern Recognition
- Soft Computing
- Others

Important Dates

Registration due	August 26, 2011
Deadline for paper submission	September 16, 2011
Annual Conference of BMFSA in 2011	October 29-30, 2011

Registration

Please send the paper title, authors' name, affiliations, presenter's name, up to 5 keywords, corresponding author's name and his/her e-mail address to bmfsa2011-office@bmfsa.org by e-mail.

Paper Submission

Papers are invited from prospective authors with interest on the related areas. Each paper must comply with the format template: <http://www.ic.sci.yamaguchi-u.ac.jp/BMFSA2011/BMFSA2011-TEMPLATE-EN.doc>. All papers must be submitted electronically both in PDF and MS-WORD format to bmfsa2011-office@bmfsa.org.

Special Issue

Selected and revised papers are invited to submit to "Int. J. of Advanced Intelligence Paradigms".

If you have any questions, please contact 'bmfsa2011-office@bmfsa.org' by e-mail.
